 28 TO UNITED AIR LINES, INC.'S
 FIRST REQUEST TO PRODUCE**

29 AND RELATED COUNTER-CLAIM

30 Plaintiff and Counter-Defendant, ALL NIPPON AIRWAYS COMPANY,
 31 LTD. (hereinafter referred to as "ANA"), by and through its attorneys, Condon &
 32 Forsyth LLP, hereby responds to UNITED AIR LINES, INC.'S (hereinafter
 33 referred to as "UAL") First Request to Produce as follows:

34 **GENERAL OBJECTIONS**

35 ANA hereby asserts the following General Objections, which are in addition
 36 to, and are incorporated within, each of the specific Responses set forth below:

RECEIVED
 11-19-07

1 1. ANA objects to each Request and each Definition, to the extent it
2 seeks discovery that is inconsistent with or enlarges the scope of permissible
3 discovery under the Federal Rules of Civil Procedure.

4 2. ANA objects to each Request to the extent it seeks discovery of
5 matters protected by the attorney-client privilege, the attorney work-product
6 doctrine, or other applicable privilege or protection. ANA objects to each and
7 every Request to the extent that it calls for the disclosure of any information or
8 document, which was prepared in anticipation of litigation or for trial, which
9 otherwise constitutes work product or attorney-client privileged information, which
10 is protected by the self-evaluative privilege, the joint defense privilege, applicable
11 state or federal regulations, or other applicable privilege, or which otherwise is
12 immune from discovery. Such privileged information will not be disclosed and
13 any inadvertent disclosure thereof will not be deemed a waiver of any privilege or
14 protection.

15 3. ANA objects to each Request to the extent it seeks the disclosure of
16 trade secrets, confidential research and development, or other confidential
17 proprietary and commercial information. Such privileged information will not be
18 disclosed and any inadvertent disclosure thereof will not be deemed a waiver of
19 any privilege or protection.

20 4. ANA objects to each Request to the extent it calls for information that
21 already is, or the production of documents that already are, in UAL's possession,
22 custody, or control, or equally available to UAL on the grounds that the Request is
23 unreasonably cumulative and duplicative. ANA further objects to collecting
24 documents from the public domain for purposes of production on the ground that
25 such documents are equally available to UAL.

26 5. ANA objects to each Request to the extent that it is overly broad,
27 unduly burdensome, unduly repetitive and intended to harass ANA.
28

6. ANA objects to each Request to the extent that it seeks information that is not relevant to the subject matter of the action and is not reasonably calculated to lead to the discovery of admissible evidence.

25 overly broad, unduly burdensome, not relevant to any claims or defenses, and not
26 reasonably calculated to lead to the discovery of admissible evidence. ANA
27 further objects on the grounds that any documents responsive to this request would
28

1 be subject to Japan's Act on the Protection of Personal Information and subject to a
2 determination by the individuals to assert the protection of the Act. ANA's crew
